Macedonian

PROFILE

A hardworking student seeking employment in web design and development, without previous work experience in the field, since I studied at the Medical Faculty, University "Ss. Cyril and Methodius " – Skopje for MD. I can tell that I am a hardworking, responsible and creative problem solver. I love working in teams and on real projects since it is more efficient and easy to learn when you have someone to exchange ideas with.

EDUCATION BACKGROUND

Medical Faculty, University "Ss. Cyril and Methodius " – Skopje
Medical Doctor, 2018-2020

Semos Education - Skopje
